ND GRANTS QUICK REFERENCE GUIDE

Deleting Amendment Requests

Quick Reference Guides (QRGs) provide step-by-step instructions to assist you in using the Non-Disaster Grants (ND Grants) system. This QRG describes how to delete a pending amendment.

Introduction

Once you accept an award package, you can make changes to it by submitting amendment requests. An amendment pending submission can be deleted or withdrawn. Once an amendment is submitted or approved, it cannot be deleted. To make additional changes to the award, you must submit a new amendment requesting the changes.

Step 1

To view all pending amendments, open the Grants dropdown and click the Manage Amendments link.

Step 2

From the Amendment Administration page, click the Withdraw Amendment Request icon in the Action column corresponding to the amendment you would like to delete.
